Memorandum of understanding between Organizations acting in the field of Cryospheric Sciences

The following organizations enter into this Memorandum of Understanding (MoU):

Association of Polar Early Career Scientists, APECS
Climate and Cryosphere, CliC, a project of the World Climate Research Programme (WCRP), the International Arctic Science Committee (IASC), and the Scientific Committee on Antarctic Research (SCAR)
Cryosphere Research Focus Group, American Geophysical Union, AGU
Division on Cryospheric Sciences, European Geosciences Union, EGU
International Association of Cryospheric Sciences, IACS
International Commission on Snow and Ice Hydrology, ICSIH
International Glaciological Society, IGS
International Permafrost Association, IPA
Permafrost Young Researchers Network, PYRN
Scientific Committee on Antarctic Research, SCAR
Working Group on Cryosphere of the International Arctic Science Committee, IASC

1) The purpose of this MoU is to co-ordinate the activities of the above organizations, in particular the organization and planning of symposia, conferences, and workshops so as to avoid conflict of those activities.

2) The above organizations agree to act in unison to promote their common interests.

3) Each organization will nominate one spokesperson to act as a contact for the purpose of this MoU.

4) The above organizations will seek every opportunity to meet regularly, preferably once per year at the EGU spring meeting, to review this MoU and future activities.

5) The above organizations agree to hold regular teleconferences to review upcoming activities.

6) The above organizations agree to actively promote joint sponsorship and co-sponsorship of activities of common interest.

7) The above organizations agree to join forces to facilitate participation of students, early career scientists, and delegates from developing countries in their activities.

8) The above organizations agree to implement a ‘common’ planning calendar where the individual organizations can enter information about upcoming events as soon as possible for other organizations to see what is being planned even though plans have not been finalized. This calendar will be confidential and only accessible to the respective nominated spokespersons.
