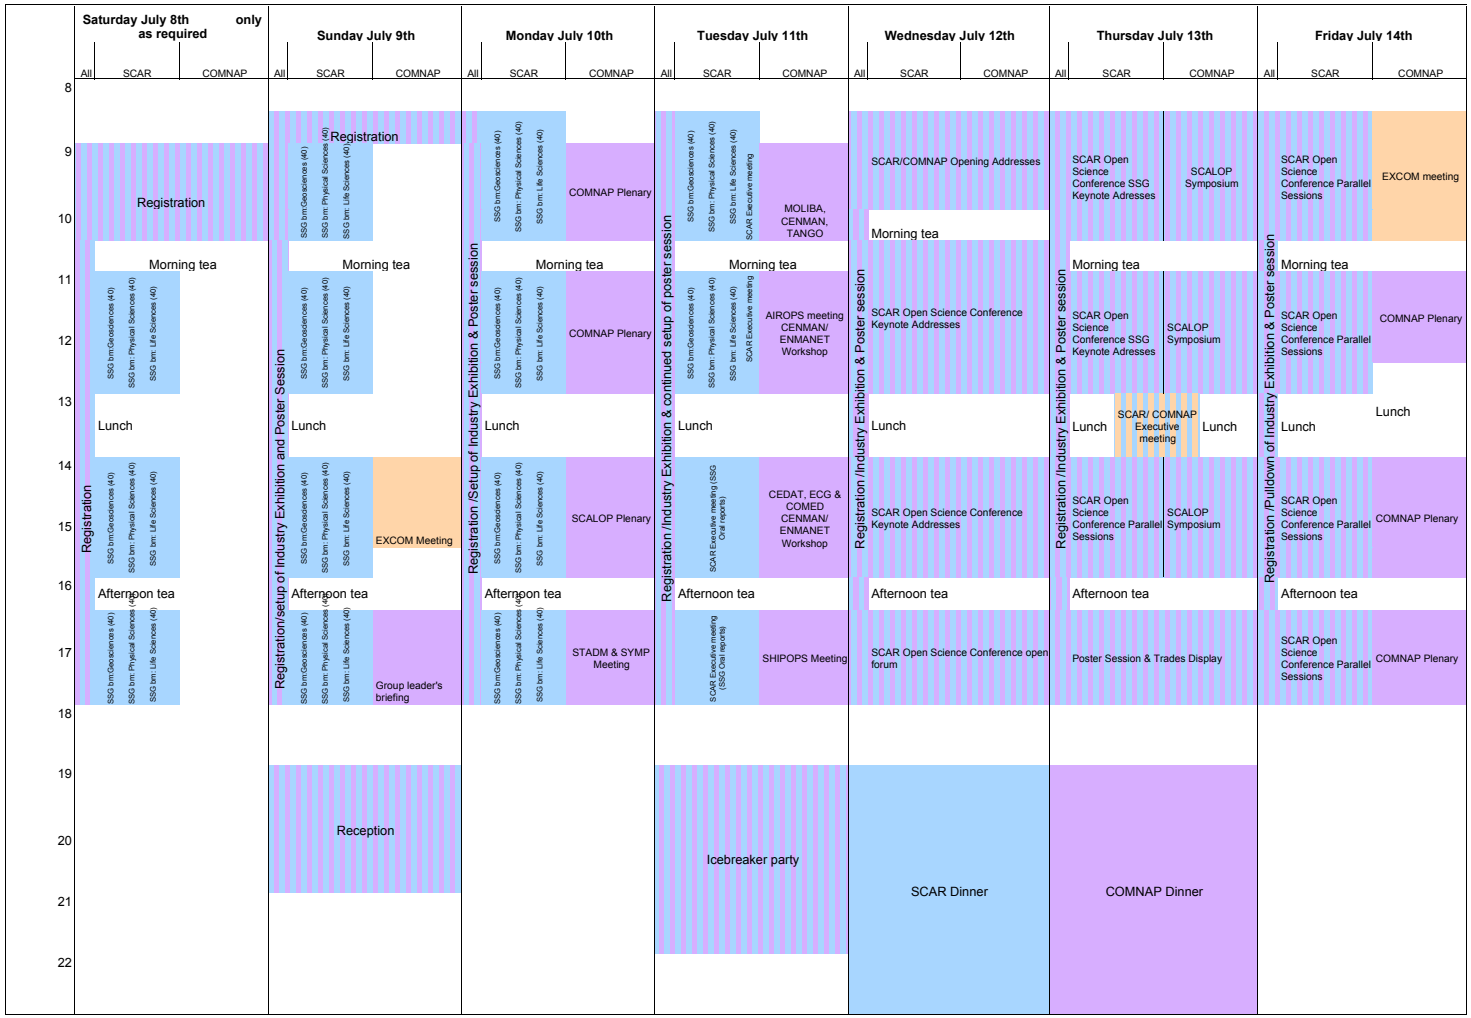
Alternative 3 is a revised version of Alternative 2 - Incorporating requested SCAR Executive changes + changes to COMNAP/SCALOP programme. This layout allows for maximum participation in the SCALOP Symposium by SCAR Conference attendees by integrating the two; the SCALOP Symposium is run as a parallel session fo the SCAR Conference on the same time frame but not on the Wednesday which would clash with the SCAR keynote addreses. This allows COMNAP/SCALOP attendees the opportunity to attend the SCAR keynote addresses. Upon advice from Richard Mulligan and Kim Pitt, the changes include reduction of the SCALOP plenary to one session, allowing the STADM & SYMP meetings to occur on the afternoon of the 10th July, ensuring the SCALOP symposium runs on one day only, and movement of the EXCOM meeting to Friday morning, giving more preparation time for reports. SCAR & COMNAP dinners now on separate days; Pulic lecture moved to the Saturday night;


Legend:	SCAR SSG participants only (approx 100)	COMNAP/SCALOP delegates only (approx 100)	SCAR OSC delegates; COM/SCAL delegates (approx 600-700)	SCAR Exec; COMNAP Exec; (approx 30)	COMNAP Executive (approx 15)	SCAR Delegates (approx 80)
