

DRAFT

Template for National Reporting

to

Scientific Committee on Antarctic Research (SCAR)

**Annual Report on National Antarctic Scientific Activities Contributing to
SCAR Programme Activities**

1 January 2005 to 31 December 2005

1. Member Country

Country name:

2. National SCAR Committee

Committee title:

Address:

Telephone:

Fax:

Email:

Contact person

Name

E-mail

[provide full contact details under item 13, below]

3. Representatives to SCAR

Permanent Delegate

Name

E-mail:

[provide full contact details under item 13, below]

Alternate Delegate

Name:

E-mail

[provide full contact details under item 13, below]

4. Representatives to SCAR Groups

4.1 Geosciences

4.1.1 Scientific Standing Group

Names: [There will be up to 4 persons listed for each SSG]

E-mails

[provide full contact details under item 13, below]

4.1.2 Action Group(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.1.3 Expert Group(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.1.4 Scientific Research Programme(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.2 Life Sciences

4.2.1 Scientific Standing Group

Names [There will be up to 4 persons listed for each SSG]

E-mails

[provide full contact details under item 13, below]

4.2.2 Action Group(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.2.3 Expert Group(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.2.4 Scientific Research Programme(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.3 Physical Sciences

4.3.1 Scientific Standing Group

Names [There will be up to 4 persons listed for each SSG]

E-mails

[provide full contact details under item 13, below]

4.3.2 Action Group(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.3.3 Expert Group(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.3.4 Scientific Research Programme(s) [select from Annex 1]

Group(s)

Names

E-mails

[provide full contact details under item 13, below]

4.4 JCADM

Name

E-mail

[provide full contact details under item 13, below]

4.5 SCAR Database**4.5.1 NADC**

Name

E-mail

[provide full contact details under item 13, below]

4.5.2 Database

Type [e.g. Composite Gazetteer; Geodetic Control Database; etc]

Contact name

E-mail

[provide full contact details under item 13, below]

5. National Operating Agency

Title:

Address:

Telephone:

Fax:

Email:

Director/Manager

Name

Address

6. COMNAP Representative

Name

E-mail

[provide full contact details under item 13, below]

7. SCALOP Representative

Name

E-mail

[provide full contact details under item 13, below]

8. Wintering Stations

Name

Location

Coordinates lat.; long.

9. Summer only Scientific Stations

Name

Location

Coordinates lat.; long.

10. Report on recent or ongoing activities relevant to SCAR groups listed in Annex 1 [Please provide scientific highlights]

(include contact name, address etc, if different from above, for each activity)

11. Report on planned new activities relevant to SCAR groups listed in Annex 1 [Please provide main priorities]

(include contact name, address etc, if different from above, for each activity)

12. Web site for description of national scientific programme activities

(where possible give the address of the site page that introduces the scientific programme(s), rather than the address of the site homepage).

13. Full Address details

- 1.
 - 2.
 - 3.
- etc

Annex 1. Main Scientific Research Projects of SCAR

SCAR				
Disc.	Type	Acronym	Project Title	
Biol	SRP	EBA	Evolution of biodiversity in Antarctica	
	SRP	SALE	Subglacial Antarctic Lake Exploration	
	EG	-	Best Practices for Conservation	
	EG	-	Biological Monitoring	
	EG	CAML	Census of Antarctic Marine Life	
	AG	-	Birds	
	AG	-	Seals	
	AG	-	Human Biology and Medicine	
	Phys	SRP	AGCS	Antarctica in the Global Climate System
SRP		ICESTAR	Interhemispheric Conjugacy in Solar-Terrestrial and Aeronomy Research	
AG		PASTA	Plateau Astronomy Site Testing in Antarctica	
AG		MOSAK	Modelling and Observational Studies of Antarctic Katabatic Winds	
EG		-	Oceanography	
EG		AAA	Antarctic and Astronomy and Astrophysics	
EG		-	Operational Meteorology in the Antarctic	
EG		ISMAS	Ice Sheet Mass Balance and Sea Level	
EG		-	Ice Drilling Technology	
partnership		IGOS	Cryosphere Theme	
Geo		SRP	ACE	Antarctic Climate Evolution
		AG	-	Acoustics in the Marine Environment
		AG	-	Marine Survey Coordination
	EG	GI	Geographical Information	
	EG	PPE	Permafrost and Periglacial Environments	
	EG	GIANT	Geodetic Infrastructure of Antarctica	
	EG	ANTEC	Antarctic Neotectonics	
	EG	ADMAP	Antarctic Digital Magnetic Anomaly Project	
	EG	IBCSO	International Bathymetric Chart of the Southern Ocean
